Oregon law allows an Oregon Personal Income Tax credit for political contributions. The contributor's state tax credit is the amount of the cash contribution, limited to \$100 on a joint return or \$50 on a single or separate return. For more information on tax credits for political contributions, contact the Oregon Department of Revenue.

It is a criminal offense to make a contribution relating to a candidate, measure, or political committee in the name of other than the person who provides the contribution. Violation is a class C felony, punishable by up to 5 years imprisonment and/or a \$125,000 fine. Under Oregon law, anonymous contributions cannot be accepted. Any such funds received will be donated to the Sandy Community Action Center, a charitable organization.

Contributions made to a political action committee are reported to the State of Oregon and become public record.
